TECH CENTER 1600/2900

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Information Disclosure Statement constitutes a bona fide attempt to comply with 37 C.F.R. §1.97(b) and §1.98. A copy of each reference cited herein is not provided pursuant to §1.98(d)(1) and (2) as they were furnished for an earlier application, U.S. Ser. No. 09/837,630 filed on April 18, 2001 which is pending and is relied on for an earlier effective filing date under 35 U.S.C. 120. The Information Disclosure Statement submitted in this earlier application does comply with §1.98(a) through (c). Pursuant to 37 C.F.R. § 1.56, this Statement is filed in the application identified above.

No representation is intended that a complete search has been made of the prior art. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in § 1.56(b).
